Louisiana Chemical Equipment Co., L.L.C. (LCEC) was founded in 1968 to buy and sell process equipment and **COMPLETE PLANTS FOR RELOCATION** throughout the world. Since our first job for Exxon, of Baton Rouge, we have grown into a full service company providing services worldwide. We have offices, storage facilities, and **COMPLETE PLANTS** located in North America, South America, Europe, Australia, and Asia to better serve your needs.
