

FORM U-1 MANUFACTURERS' DATA REPORT FOR PRESSURE VESSELS  
As Required by the Provisions of the ASME Code Rules, Section VIII, Division 1

# 71703

1. Manufactured by CHEMAP AG, 8708 Maennedorf, Switzerland  
 (Name and address of manufacturer)

2. Manufactured for Crawford & Russell Inc., 733 Canal St., Stamford, Connecticut  
 (Name and address of purchaser)

3. Location of Installation BASF Wyandotte Corp., Geismar, Louisiana  
 (Name and address)

4. Type Vertical Tank Vessel No. 5167 (Mfg's Serial No.) Or713056b (CRN) 140000 (Drawing)

39. Year Built 1977 (Year)

5. The chemical and physical properties of all parts meet the requirements of material specifications of the ASME BOILER AND PRESSURE VESSEL CODE. The design, construction, and workmanship conform to ASME Rules, Section VIII, Division 1, 1977, Addenda to Summer 77, and Code Case no. 1977.

Special service per UG-120(d): Built accordance with Part UW and UHA

Manufacturers' Partial Data Reports properly identified and signed by Commissioned Inspectors have been furnished for the following items of the report:

(Name of part, item number, mfg's name and identifying stamp)  
 Item 6.11 incl. to be completed for single wall vessels, jackets of jacketed vessels, or shells of heat exchangers  
 6. Shell: Material SA 240-316L Nominal Thickness 0.315 in. Corrosion Allowance 0.000 in.  
 Spec. No. (Grade) 3 in. Length 4 in. Diam. 2 ft 5 in.

#### CERTIFICATE OF COMPLIANCE

We certify that the statements made in this report are correct and that all details of design, material, construction, and workmanship of this vessel conform to the ASME Code for Pressure Vessels, Section VIII, Division 1.

Date 5-1-1978 Signed CHEMAP AG (Manufacturer) by J. Holloman Jr. (Representative)

"U" Certificate of Authorization No. 11,910 expires May 10 1979

#### CERTIFICATE OF SHOP INSPECTION

Vessel made by CHEMAP AG at Maennedorf, Switzerland  
 I, the undersigned, holding a valid commission issued by the National Board of Boiler and Pressure Vessel Inspectors and/or the State or Province of New York and employed by Royal Indemnity Co. of New York, have inspected the pressure vessel described in this Manufacturers' Data Report on 12th, Six, JANUARY 1978, and state that, to the best of my knowledge and belief, the Manufacturer has constructed this pressure vessel in accordance with ASME Code, Section VIII, Division 1.

By signing this certificate neither the Inspector nor his employer makes any warranty, expressed or implied, concerning the pressure vessel described in the Manufacturers' Data Report. Furthermore, neither the Inspector nor his employer shall be liable in any manner for any personal injury or property damage or a loss of any kind arising from or connected with this inspection.

Date 5-1-1978 Commission No. NB 7384  
 Signed J. Holloman Jr. (Authorized Inspector) (Nat'l Board, State, Province and No.)

#### CERTIFICATE OF COMPLIANCE FOR FIELD WORK

We certify that the statements made in this report are correct and that all details of design, material, construction, and workmanship of this vessel conform to the ASME Code for Pressure Vessels, Section VIII, Division 1.

Date 5-1-1978 Signed CHEMAP AG (Manufacturer) by J. Holloman Jr. (Representative)

"U" Certificate of Authorization No. 11,910 expires May 10 1979

#### CERTIFICATE OF FIELD ASSEMBLY INSPECTION

I, the undersigned, holding a valid commission issued by the National Board of Boiler and Pressure Vessel Inspectors and/or the State or Province of New York and employed by Royal Indemnity Co. of New York, have compared the statements in this Manufacturers' Data Report with the described pressure vessel and state that parts referred to as data items not included in the drawings of shop inspection, have been inspected by me and that, to the best of my knowledge and belief, the Manufacturer has constructed and assembled this pressure vessel in accordance with ASME Code, Section VIII, Division 1.

The described vessel was inspected and subjected to a hydrostatic test of \_\_\_\_\_ psi.

By signing this certificate neither the Inspector nor his employer makes any warranty, expressed or implied, concerning the pressure vessel described in this Manufacturers' Data Report. Furthermore, neither the Inspector nor his employer shall be liable in any manner for any personal injury or property damage or a loss of any kind arising from or connected with this inspection.

Date 5-1-1978 Commission No. NB 7384  
 Signed J. Holloman Jr. (Authorized Inspector) (Nat'l Board, State, Province and No.)
